Basic tournament rules:

The players may choose the tee box for the match. A coin flip will decide disagreements.

Pairings for each flight of players are to be made by May 5th. Check course handicaps for the tees to be played for both players on the club computer the day of the match.

The higher handicap player will receive the number of strokes for the round that is the difference between the two player's course handicaps.

For example, if the players use the blue tees, and player A has a handicap index of 9.8, which is a course handicap of 10. Player B has an index of 14.7, which is a course handicap of 15. Player A must give player B five strokes for the round. At Jefferson Park those strokes will be given on the lowest 5 handicap holes as stated on the scorecard (e.g. holes #1, #7, #9, #14 and #18). So, if both players make a 5 on the first hole, then player B wins the hole and is one up for the match because player B made a net score of 4 for the hole. Once a player is ahead by more holes than are left to play in the round they win the match. Because this is an elimination tournament, matches that are tied after 18 holes will need to be completed. If possible the starter on hole number 1 will allow the match to continue – sudden death -- that day with strokes given on the same holes as in the original round until a hole is won, and the match is over. A putt, a hole, or even a match may be conceded at any time.

After each round players must turn in a signed score card with scores and match results.

Players are responsible for contacting their next opponent in the bracket and scheduling a tee time for the next match according to the schedule on the tournament entry forms (and brackets when set.) Match results must be posted by each round deadline. Contact Donal Sullivan [email2donal@gmail.com](mailto:email2donal@gmail.com), or 206-324-8735 regarding any problems\* agreeing on a tee time. If necessary he will set a tee time for the Sunday according to the schedule, and no shows will forfeit. (\*No problems - ok?)

Check with the pro shop to ask if the course play is winter or summer rules. We expect to play with summer rules, with the possible exception of the first round.

Shake hands and come out swinging! Enjoy. Thanks for participating! USGA rules of golf apply. For match play see <http://www.usga.org/Rule-Books/Rules-of-Golf/Rule-02/>.
